SCHOOL ANNUAL REPORT 2024-'25

‘Education certainly determines the quality of an individual’s life. Education improves one’s knowledge, skills and develops the personality and attitude’.

With our vision “To transforms students into confident, curious, critically thinking individuals, with good communication skills and a zest of learning”, we have strived for excellence in academics as well as all co-curricular areas in the year 2024-25.

As we share the yearly updates of our activities, we take the modesty to say that we did our best to do as we are planned and we are proud of our students and teachers who strive hard to achieve beyond expectations. We have focused on the holistic development of the students.

We have always been committed to create an environment in the school which helps the young mind to blossom and provide a platform for individual thinking and holistic development of the child’s personality, as academic witnesses repositioning, restructuring & refocus.

PARENT ORIENTATION PROGRAMME

As a regular practice followed every year, this session began with the orientation programme for the parents of the students of the classes Pre-KG to X. The programme made the parents aware of education we impart here at our school.

ACADEMICS

The school is affiliated to CBSE New Delhi and follows the curriculum from classes Pre- KG to Class X, as defined by CBSE. We have two terms – June to September and October to March. A highly effective model in education and it means “Learning by Doing”. The goal of experience based learning involves making students identify overall evolution. It helps our students tackle difficult situations and come out with hands-on knowledge on multiple subjects. We want to ensure that our children get personalized learning from them to be ready for real life challenges.

Education is fundamental for achieving full human potential, developing an equitable society and promoting National development. To achieve this, our child centric methodology will concentrate on various parameters of teaching to evolve and awaken the minds of children. We will support out of the box thinking while they truly benefit from this, it will also play a vital role in shaping the society at large.

We are happy to share the glad news that our students of Class X who appeared for the 2023-'24 in board examination passed with flying colours and achieved 100% results.

To keep the children at par with the competitive world, besides the Internal Exams, Board Exams, different Olympiads and competitive exams are conducted from time to time. Our students are given the opportunity to participate in National Olympiads of Mathematics, Science, English, General Knowledge and IT organized by Olympiad foundation of different streams. Students participated in NASO and Sugama Hindi examinations winning several accolades.

To promote academic excellence and creativity, students organized and participated in various exhibitions such as Mathematics, Science exhibition & Art exhibition.
